Conditions of Sale

INTERPRETATION In these Conditions 'Buyer': means the person who accepts a quotation of the Seller for the sale of the Goods or whose order for the Goods is accepted by the Seller. 'Goods': means the Goods (including any installation of the Goods or any parts of them) which the Seller is to supply in accordance with these Conditions. 'Seller': means Barwood Products Limited. 'Conditions': Means the standards terms and conditions of sale set out in this document and (unless the context otherwise requires) includes any special terms and conditions agreed in writing between the Buyer and the Seller. 'Contract': means the Contract for the purchase and sale of the Goods. Any reference in these Conditions to any provision of a statute shall be construed as a reference to that provision as amended, re-enacted or extended at the relevant time. The headings in these Conditions are for convenience only and shall not affect their interpretation. All other words and expressions are to be given their normal English meaning taken in the context of the Contract.

BASIS OF THE SALE The Seller shall sell and the Buyer shall purchase the Goods in accordance with any written quotation of the Seller which is accepted by the Buyer, or any written order of the Buyer which is accepted by the Seller, subject to the exclusion of any other terms and conditions subject to which any such quotation is accepted or purported to be accepted, or any such order is made or purported to be made, by the Buyer. No conditions attached to endorsed upon or delivered with any document of the Buyer shall have effect in relation to the Contract. These terms and conditions can only be altered or qualified by a document signed by a director of the Seller setting out in full all the relevant alterations and qualifications. The Seller's employees or agents are not authorised to make any representations concerning the Goods unless confirmed by the Seller in writing. In entering into the Contract the Buyer acknowledges that it does not rely on, and waives any claim for breach of, any such representations which are not so confirmed. Acceptance of delivery of the Goods shall constitute acceptance of these Conditions where acceptance has not previously been communicated by the Buyer to the Seller.

1. ORDERS AND SPECIFICATIONS 1.1 No order submitted by the Buyer shall be deemed to be accepted by the Seller unless and until confirmed in writing by the Seller's authorised representative. 1.2 The quantity, quality and description of and any specification for the Goods shall be those set out in the Seller's quotation (if accepted by the Buyer) or the Buyer's order (if accepted by the Seller). 1.3 The Seller reserves the right to make any changes in the specification of the Goods which are required to conform with any applicable statutory or EC requirements, or which do not materially and detrimentally affect their quality or performance. 1.4 No order which has been accepted by the Seller may be cancelled by the Buyer except with the agreement in writing of the Seller and on terms that the Buyer shall indemnify the Seller in full against all loss (including loss of profit), costs (including the cost of all labour and materials used), damages, charges, and expenses incurred by the Seller as a result of the cancellation.

2. PRICE OF THE GOODS 2.1 The price of the Goods shall be the Seller's quoted price or where no price has been quoted (or a quoted price is no longer valid), the price listed in the Seller's published price list current at the date of acceptance of the order. All prices quoted are valid for 14 days only or until earlier acceptance by the Buyer, after which time they may be altered by the Seller without giving notice to the Buyer. 2.2 The Seller reserves the right by giving notice to the Buyer at any time before delivery to increase the price of the Goods to reflect any increase in the cost to the Seller which is due to any factor beyond the control of the Seller (such as, without limitation, any foreign exchange fluctuation, currency regulation, alteration of duties, increase in the costs of labour, materials or other costs of manufacture), any change in delivery dates, quantities or specifications for the Goods which is requested by the Buyer, or any delay caused by any instructions of the Buyer or failure of the Buyer to give the Seller adequate information or instructions. 2.3 Except as otherwise stated under the terms of any quotation or in any price list of the Seller, and unless otherwise agreed in writing between the Buyer and the Seller, all prices are given by the Seller on an ex works basis, and where the Seller agrees to deliver the Goods otherwise than at the Seller's premises, the Buyer shall be liable to pay the Seller's charges for transport, packaging and insurance. No refunds are payable for return of packaging. 2.4 The price is exclusive of any applicable Value Added Tax, which the Buyer shall be additionally liable to pay to the Seller. 2.5 The cost of carriage and packaging if required by the Buyer shall unless otherwise agreed by the Seller in writing, be charged extra.

3. TERMS OF PAYMENT 3.1 Subject to any special terms agreed in writing by the Buyer and the Seller the Seller shall be entitled to invoice the Buyer for the price of the Goods on or at any time after delivery of the Goods unless the Goods are to be collected by the Buyer or the Buyer wrongfully fails to take delivery of the Goods in which event the Seller shall be entitled to invoice the Buyer for the price at any time after the Seller has notified the Buyer that the Goods are ready for collection or (as the case may be) the Seller has tendered delivery of the Goods. 3.2 The Buyer shall pay the price of the Goods by the last day of the month following the month of invoice, notwithstanding that delivery may not have taken place and the property of the Goods has not passed to the Buyer. The time of payment of the price shall be of the essence of the contract. Receipts for payment will be issued only upon request. 3.3 Where the Goods are delivered by installments the Seller may invoice each installment separately and the Buyer shall pay such invoices in accordance with these conditions. 3.4 If the Buyer fails to make any payment on the due date then, without prejudice to any other right or remedy available to the Seller, the Seller shall be entitled to: 3.4.1 cancel the contract or suspend any further deliveries or performance to the Buyer; 3.4.2 appropriate any payment made by the Buyer to such of the Goods (or the goods supplied under any other contract between the Buyer and the Seller) as the Seller may think fit (notwithstanding any purported appropriation by the Buyer); and 3.4.3 charge the Buyer interest (both before and after any judgement) on the amount unpaid, at the rate of 4 per cent per annum above Barclays Bank PLC base rate from time to time, until payment in full is made (a part of a month being treated as a full month for the purpose of calculating interest). 3.5 No disputes arising under the Contract and no delays beyond the control of the Seller shall interfere with the prompt payment in full by the Buyer. 3.6 The Buyer shall reimburse the Seller any legal and other costs incurred by the Seller in enforcing the terms of the Contract, such reimbursement to be on a full indemnity basis.

4. DELIVERY 4.1 Delivery of the Goods shall be made by the Buyer collecting the Goods at the Seller's premises at any time after the Seller has notified the Buyer that the Goods are ready for collection or, if some other place for delivery is agreed by the Seller, by the Seller delivering the Goods to that place. 4.2 Any dates quoted for delivery of the Goods are approximate only and the Seller shall not be liable for any delay in delivery of the Goods howsoever caused. Time for delivery or performance shall not be of the essence unless previously agreed by the Seller in writing. The Goods may be delivered by the Seller in advance of the quoted date upon giving reasonable notice to the Buyer. 4.3 Where the Goods are to be delivered in installments each delivery shall continue a separate contract and failure by the Seller to deliver any one or more of the installments in accordance with these conditions or any claim by the Buyer in respect of any one or more installments shall not entitle the Buyer to treat the Contract as a whole as repudiated. 4.4 The Seller will endeavour to comply with reasonable requests by the Buyer for postponement of delivery but shall be under no obligation to do so. Where delivery is postponed at the Buyer's request the Buyer shall pay all costs and expenses (including storage, insurance and transportation) occasioned thereby. 4.5 If the Buyer refuses or fails to take delivery of the Goods or refuses or fails to give the Seller adequate delivery instructions at the time stated for delivery (otherwise than by reason of any cause beyond the Buyer's reasonable control or by reason of the Seller's fault) then, without prejudice to any other right or remedy available to the Seller, the Seller may: 4.5.1 store the Goods until actual delivery and charge the Buyer for the reasonable costs (including insurance) of storage; or 4.5.2 sell the Goods at the best price readily obtainable and (after deducting all reasonable storage and selling expenses) account to the Buyer for the excess over the price under the Contract or charge the Buyer for any shortfall below the price under the Contract. 4.6 Unless otherwise expressly agreed in writing by the Seller any packaging supplied by the Seller is intended to be only sufficient to protect the Goods for all normal conditions of transit and for the normal period of transit only.

5. DEFECTS 5.1 The Buyer shall have no right or claim for shortages or defects apparent on visual inspection unless: 5.1.1 The Buyer inspects the Goods immediately on arrival at its premises or other agreed destination and 5.1.2 A written complaint is made to the Seller within 7 days of receipt of the Goods or such shorter period as the carriers conditions (if applicable) require specifying the shortage or defect and

5.1.3 the Seller is given an opportunity to inspect the Goods and investigate any complaint before any use is made of the Goods. If a complaint is not made to the Seller as herein provided or the Goods shall be deemed to be in all respects in accordance with the contract and the Buyer shall be bound to pay for the same accordingly. 5.2 Whether or not the Seller arranges delivery the Seller is in no way responsible for the delivery of the Goods and is in no way liable for claims for loss or damage in transit which must be made by the Buyer against the Carrier in accordance with the Carrier's conditions. 5.3 All allegations as to total non-delivery of any consignment of the Goods must be made by the Buyer in writing to the Carrier and to the Seller within 10 days of the date of the Seller's advice note or invoice or other notification of despatch, or within such shorter time limit as may be specified in any conditions of the Carrier. 5.4 Failure by the Buyer to comply with the provisions hereof shall render the Buyer liable for any temporary or permanent loss of the Goods and all additional costs and expenses of the Seller in relation thereto. 5.5 The Buyer shall have no claim in respect of defects not apparent on visual inspection at the time of delivery unless: i) a written complaint is sent to the Seller as soon as reasonably practicable after the defect is noticed and no use is made of the Goods thereafter and no alteration made thereto by the Buyer before the Seller is given the opportunity in accordance with sub-paragraph 5.6 of this condition to inspect the Goods; and ii) the complaint is sent within 1 month of the date of delivery by the Seller. 5.6 The Seller may within 30 days of receiving such a written complaint inspect the Goods and the Buyer if so required by the Seller shall take all steps necessary to enable the Seller to do so.

6. RISK AND PROPERTY 6.1 Risk shall pass to the Buyer so that the Buyer is responsible for all loss damage or deterioration to the Goods. 6.1.1 in the case of Goods to be delivered at the Seller's premises; when the Seller notifies the Buyer that the Goods are available for collection; or 6.1.2 in the case of Goods to be delivered otherwise than at the Seller's premises when the Goods or a relevant part thereof leave the premises of the Seller whether or not the Seller arranges transport and where the Goods are delivered by carrier any claims for loss or damage in transit must be made by the Buyer against the carrier in accordance with the carrier's conditions. 6.2 Notwithstanding delivery and the passing of risk in the Goods, or any other provision of these Conditions, the property in the Goods shall not pass to the Buyer until the Seller has received in cash or cleared funds payment in full of the price of the Goods and all other Goods agreed to be sold by the Seller to the Buyer for which payment is then due. 6.3 Until such time as the property in the Goods passes to the Buyer, the Buyer shall hold the Goods as the Seller's fiduciary agent and bailee and shall keep the Goods separate from those of the Buyer and third parties and properly stored, protected and insured and identified as the Seller's property. 6.4 Until such time as the property in the Goods passes to the Buyer (and provided the Goods are still in existence and have not been resold), the Seller shall be entitled at any time to require the Buyer to deliver up the Goods to the Seller and, if the Buyer fails to do so forthwith, to enter upon any premises of the Buyer or any third party where the Goods are stored and repossess the Goods. 6.5 The Buyer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of the Seller shall (without prejudice to any other right or remedy of the Seller) forthwith become due and payable.

All claims hereunder must be made by the Buyer and not by any other person, firm or company who may have possession of the Goods. 7.6 Except in respect of death or personal injury caused by the Seller's negligence, the Seller shall not be liable to the Buyer by reason of any representation or any implied warranty, condition or other term, or any duty at common law, or under the express terms of the Contract, for any consequential loss or damage (whether for loss of profit or otherwise), costs, expenses or other claims for consequential compensation whatsoever (and whether caused by negligence of the Seller, its employees or agents or otherwise) which arise out of or in connection with the supply of the Goods or their use or resale by the Buyer except as expressly provided in these Conditions. 7.7 The Seller shall not be liable to the Buyer or be deemed to be in breach of the Contract by reason of any delay in performing or any failure to perform any of the Seller's obligations in relation to Goods or Services, if the delay or failure was due to any cause beyond the Seller's reasonable control including in particular: 7.7.1 act of God, explosion, flood, tempest, fire or accident. 7.7.2 war or threat of war, sabotage, insurrection, civil disturbance, or requisition; 7.7.3 acts, restrictions, regulations, bye-laws, prohibitions, or measures of any kind on the part of any governmental, parliamentary or local authority; 7.7.4 import or export regulations or embargoes; 7.7.5 strikes, lock-outs, or other industrial actions or trade disputes (whether involving employees of the Seller or of a third party); 7.7.6 difficulties in obtaining raw materials, labour, fuel, parts or machinery; 7.7.7 power failure or breakdown in machinery. 7.8 The Seller does not warrant the fitness or suitability of any Goods supplied for any purpose or application and the implied warranties and conditions contained in section 13, 14 and 15 of the Sale of Goods Act 1979 (as amended by the Sale and Supply of Goods Act 1994) and any other conditions or warranties implied by trade custom or usage are hereby expressly excluded. 7.9 The Buyer agrees that apart from the express terms contained herein or in the quotation or in any document expressly stipulated therein to form part of the Contract and to be outside the provisions of this condition no statement or representation has been made by the Seller relating to the Goods supplied or if any such statement or representation has been made the Buyer warrants that he understood it to be a statement of opinion only and did not rely on it.

8. INSOLVENCY OF BUYER 8.1 This clause applies if: 8.1.1 the Buyer makes any voluntary arrangement with its creditors or becomes subject to an administration order or (being an individual or firm) becomes bankrupt or (being a company) goes into liquidation (otherwise than for the purposes of amalgamation or reconstruction); or 8.1.2 an encumbrancer takes possession or a receiver is appointed of any of the property or assets of the Buyer; or 8.1.3 the Buyer ceases, or threatens to cease, to carry on business; or 8.1.4 the Seller reasonably apprehends that any of the events mentioned above is about to occur in relation to the Buyer and notifies the Buyer accordingly. 8.2 Without prejudice to any other right or remedy available to the Seller if this condition applies the Seller shall be entitled to cancel the Contract or suspend any further deliveries under the Contract without any liability to the Buyer and, if the Goods have been delivered but not paid for, the price shall become immediately due and payable notwithstanding any previous agreement or arrangement to the contrary.

9. OWNERSHIP AND RETENTION OF TITLE Equitable and beneficial ownership of any goods supplied will remain with the Seller until all monies outstanding are paid in full by the Buyer although risk will pass to the Buyer upon delivery of the Goods. The Buyer will undertake to properly store and insure the Goods and have them identified as the Buyer's property. In the event of default of payment on the due date the Seller will be entitled to repossess any Goods which remain its property. The Buyer shall afford access at such times as required by the Seller to any premises occupied by the Buyer where the Goods might be situated.
